

# I Can Be

Taio Cruz

Now I feel that this heart, of mine has  
taken many falls,  
Still sometimes the rain, can turn into a  
waterfall,  
And the prettiest things, can come out  
of the coldest night,  
And even with broken wings, sometimes  
you find your way to fly  
Yes I Can Be...

Bigger, Bigger  
Stronger, Stronger  
Harder, Harder  
Yes I Can Be...

Bigger, Bigger  
Stronger, Stronger  
Harder, Harder  
Yes I Can Be...

Now I feel that this soul, of mine has  
had its many tolls,  
Still sometimes this pain, is what we  
need for us to grow,  
So when it's time for me, to look into my  
deeper side, I will...

I will find a way, to hold onto the love  
inside,  
Yes I Can Be...

See I can be anything I wanna be,  
All I have to do is put my mind to it...  
and I can do it,  
So what I want you to do, is put your  
fist in the sky,  
And say it with me,  
I Can Be...

[Chorus x2]
