Empty

If I play the game And I win the fame Will I be the man I dreamed of And if I woo the crowd And their screams are loud Is it really me that they love

What does it profit What does it profit me

If I gain the whole world And lose my own soul What would be said of me

Or my vanity, vanities Chasin' the wind I'm feelin' empty again, yeah I'm feelin' empty again

If I gain the whole world And lose my own soul What would be said of me Or my vanity vanities Chasin' the wind And I'm feelin' empty again

If I gain the whole world And lose my own soul, ooh What would be said Tell me what would be said Or my vanity, vanities Chasin' the wind I'm feelin' empty again, yeah I'm feelin' empty again, yeah yeah

Jesus come fill me again
