

Let It Snow! Let It Snow! Let It Snow!

Take 6

Well the weather outside is frightful
But the fire is so delightful
Oh and since we've no place to go
Oh let it snow, let it snow, let it snow

Well it doesn't show signs of stopping
But I've bought some corn for popping
And the lights are turned way down low
Oh let it snow, let it snow, let it snow

When we finally kiss goodnight
How I hate going out in the storm
But if you really hold me tight
All the way home I'll be warm

The fire is slowly dying
But my dear we're still goodbying
Oh but as long as you love me so
Let it snow, let it snow, let it snow
Let it snow, let it snow

Let it snow

When we finally kiss goodnight
I hate going out in the storm
But if you really hold me tight
All the way home I'll be warm
Be safe and warm

The fire is slowly dying
But my dear we're still goodbying
Oh, but as long as you love me so
Oh, let it snow, let it snow

Oh, let it snow, let it snow
Oh, let it snow, let it snow
Oh, let it snow, let it snow
