

# Oh! He Is Christmas

Take 6

Well the tree's been strung  
And the melody's been sung  
Christmastime has come  
Have we remembered to thank the Lord?

Presents wrapped up tight  
And the evergreens are white  
Christmastime has come  
Have we remembered to thank the Lord?

Let us thank Him for a love so real, so perfect  
(He gives His love unconditionally)  
Oh what a love  
Looks beyond my faults, my burdens  
Got to praise His name (forever...)

I can feel there's a difference on this day  
Not just because It's a holiday  
Sent us the Son  
To all the world, Oh! He is Christmas  
To all the world, Oh! He is Christmas

Left Your throne on high  
All You ask is that we try  
Christmastime has come  
Have we remembered to thank You, Lord?

Have we thanked You for a love so real, so perfect  
(He gives His love unconditionally)  
Oh what a love  
Looks beyond my faults, my burdens  
Got to praise His name (forever...)

I can feel there's a difference on this day  
Not just because It's a holiday  
Sent us the Son  
To all the world, Oh! He is Christmas
