

Leave Me Alone

Takida

Can I be on my own, won't you give up the phone, yeah, leave me
alone

Can I be on my own, you don't have to go on, yeah, leave me alo
ne

I walk around, thinking about what's on your mind

I don't wanna lie, I don't wanna lie, I recall what's on your m
ind

Have you had enough, don't call me again

Cause the blackness in your eye is there, it's failing

Can I be on my own, won't you give up the phone, yeah, leave me
alone

Can I be on my own, you don't have to go on, yeah, leave me alo
ne

Have you had enough, don't call me again

Cause the blackness in your eye is there, it's failing

Can I be on my own, won't you give up the phone, yeah, leave me
alone

Can I be on my own, you don't have to go on, yeah, leave me alo
ne

Can I be on my own

Can I be on my own
