New Again

Taking Back Sunday

Well my dear what long arms you have All the better to hold you down Slap my wrist with that sweet consequence

What are we, what are we to do What are we to do with you (Hey hey) What are we what are we to do What are we to do with you

Well I am, I'm ready to be new again
I'm ready to hear you say who I am is quite enough
(Quite enough)
Well I am, I'm ready to be new again
I'm ready to hear you say who I am is quite enough
(Quite enough)

Well my dear what deep roots you have All the better to hold you down We'll live inside the branches Your family's nest asks Boy where have you been Well you don't know where I've been

What are we to (to do with you) What are we to (to do with you)

I am, I'm ready to be new again I'm ready to hear you say who I am is quite enough (Quite enough) Well I am, I'm ready to be new again I'm ready to hear you say who I am is quite enough (Quite enough)

Don't (don't) know (know) where I've been (where I've been) Don't (don't) know (know) where I've been (where I've been)

My dear what long arms you have All the better to hold you down

I am, I'm ready to be new again I'm ready to hear you say who I am is quite enough I am, I'm ready to be new again I'm ready to hear you say who I am is quite enough (Quite enough)

You don't know where I've been No you don't know where I've been You don't know where I've been You don't know where You don't know where, no

I am, I'm ready to be new again
I'm ready to hear you say who I am is quite enough
Well I am, I am, I'm ready to be new again
I'm ready to hear you say who I am is quite enough
