### Taking Back Sunday

(Nothing's alright...without you, without you...)

Hey lush have fun  
It's the weekend  
Hey lush have fun

(We'll have to, we'll have to, I want to)  
(We had to, we had to, I meant to)

Hey lush have fun  
It's the weekend  
Hey lush have fun (haven't you had enough?)

It's all I know  
You're all I know
