## Talking Heads

"Damn that television, what a bad picture  
Don't get upset, it's not a major disaster  
There's nothing on tonight," he said  
"I don't know what's the matter  
Nothing's ever on", She said  
"So I don't know why you bother"

We've heard this little scene  
We've heard it many times  
People fighting over little things  
And wasting precious time

They might be better off I think  
The way it seems to me  
Making up their own shows  
Which might be better than TV

Judy's in the bedroom  
Inventing situations  
Bob is on the street today  
Scouting up locations

They've enlisted all their family  
They've enlisted all their friends  
It helped saved their relationship  
And made it work again

Their show gets real high ratings  
They think they have a hit  
There might even be a spin off  
But they're not sure 'bout that

They ever watch TV again  
It'd be too soon for them  
Bob never yells about the picture now  
He's having too much fun

Judy's in the bedroom  
Inventing situations  
Bob is on the street today  
He's scouting up locations

They've enlisted all their family  
They've enlisted all their friends  
It helped save their relationship  
And made it work again

So think about this little scene  
Apply it to your life  
If your work isn't what you love  
Then something isn't right

Just look at Bob and Judy  
They're happy as can be  
Inventing situations  
Putting them on TV

Judy's in the bedroom  
Inventing situations  
Bob is on the street today  
He's having a vacation

They've enlisting all their family  
They've enlisted all their friends  
It helped save the relationship  
And made it work again
