

# Hey Now

## Talking Heads

I wanna bicycle  
I wanna popsicle  
I wanna space face  
Buy me a cherry face now

Hey now, hey now  
Hey now, now  
Hey now, hey now  
Hey now, now

I wanna video  
I wanna rock and roll  
Take me to the shopping mall  
Buy me a, a rubber ball now

Hey now, hey now  
Hey now, now  
Hey now, hey now  
Hey now, now

Ooh  
Would the light come and hit you in the eyes?  
Hey  
Gonna stop, gonna get you by surprise

Every night when the sun goes down  
People are staying at home  
You can tell your momma and daddy  
Leave those children alone

They know what they're doin'  
They ain't runnin' away  
Uncle John said, "Tell Aunt Mary  
I got nothing to say"

Hey now, hey now  
Hey now, now  
Hey now, hey now  
Hey now, now

I am the king of the world  
The boss of the boys and girls  
You can live till a 100 and 10  
If you listen to what I said

Hey now, hey now  
Hey now, now  
Hey now, hey now  
Hey now, now

Hey now, hey now  
Hey now, now  
Hey now, hey now  
Hey now, now
