

# Walk It Down

## Talking Heads

I, I am just a number  
I hang on to what I got  
You say what you want to  
I, I, I, I just try to stay alive

I put myself together  
People say, get away, somebody will turn you in  
Life, life without surrender  
Togetherness ecstasy is what I need

I can laugh, but I should cry  
When love and understanding are the ultimate crimes

And I said, walk it down, talk it down  
Oh, oh, oh, sympathy, luxury  
Somebody will take you there  
Walk it down, talk it down  
Oh, oh, oh, sympathy, luxury  
Somebody will take you there

She says she remembers  
Time long time ago  
We belong together  
I, I, I, I turn up the radio

Lies, lies and propaganda  
I gonna tell you what I need  
Life, life, without surrender  
Togetherness ecstasy is what I need

I got yours and you got mine  
And I can swim, but I should fly

Let me, walk it down, talk it down  
Oh, oh, oh, sympathy, luxury  
Somebody will take you there  
Walk it down, talk it down  
Oh, oh, oh, sympathy, luxury  
Somebody will take you there

Ain't no crime to believe  
I took my money, I bet my life  
What you see is what you get  
But it sure ain't what we need, hey

Walk it down, talk it down  
Oh, oh, oh, sympathy, luxury  
Somebody will take you there  
Walk it down, talk it down  
Oh, oh, oh, sympathy, luxury  
Somebody will take you there

Walk it down, talk it down  
Oh, oh, oh, sympathy, luxury  
Somebody will take you there  
Walk it down, talk it down  
Oh, oh, oh, sympathy, luxury

Somebody will take you there
