

Remember Me

Tame Impala

Remember me, I'm the one who had your babies, ahh
Remember me, I'm the one who had your babies, ahh
Remember me, I'm the one who had your babies, ahh
Remember me, I'm the one who had your babies, ahh
Remember me, I'm the one who had your babies, ahh
Remember me, I'm the one who had your babies, ahh

Remember me, I'm the one who had your babies, ahh
Remember me, I'm the one who had your babies, ahh
Remember me, I'm the one who had your babies, ahh
Remember me, I'm the one who had your babies, ahh
Remember me, I'm the one who had your babies, ahh
I'm the one who had your babies, I'm the one who had your babies
I'm the one who had your babies, I'm the one who had your babies
I'm the one who had your babies, I'm the one who had your babies
I'm the one who had your babies, I'm the one who had your babies
I'm the one who had your babies, I'm the one who had your babies
Oh, remember me, I'm the one who had your babies, ahh
Remember me, I'm the one who had your babies, ahh
Remember me, I'm the one who had your babies, ahh
Remember me...
