

# Runway, Houses, City, Clouds

Tame Impala

But don't remind me of home, there's everywhere I'd rather go  
It's true that some things have to change  
And don't remind me of home or I might notice where I am

It's true that some things have to change  
I know some things have to change  
It's true that some things have to change  
I know some things have to change

And gazing out the window as I ascend into the sky

But I'm the one who's left behind  
I'm the one who's left behind  
There is nothing that is safe  
I know some things have to change

Yeah, I do, yeah, I do  
But don't remind me of home, incase it isn't quite the same
