

Healer

Tamela Mann

Strong deliverer and mighty are You, Father
Lord, in You I can always depend
You can heal every hurt and all diseases
You're my joy, my hope, and my God

You're the miracle, sign, and wonder
You're the God that calms the raging sea
And You provide me with love, joy, and peace
Because of You I am redeemed

Your blood has washed away the stain
You're my healer
And I'll never be the same
You're my healer
You're the God that healeth thee

Strong deliverer and mighty are You, Father (Oh, You are, and mighty)
Lord, in You I can always depend (I can always depend)
