One Way

Tamela Mann

Yeahhh yeah yeah Oooowoh

Listen

You might be a millionaire Or discovered a cure for disease You might be cool with the president Or have around the clock security

But none of that matters if you don't know the Lord Cause you can't pay your way in And I don't wanna be the one to say I told ya So I'ma scream it loud and clear

There's only one, one, one, one way Only one, one, one, one way Only one, one, one, one way If you wanna get there let me hear you say one way

One aww-oop, one way One aww-oop

You might be most likely to succeed In the class of 2016 Employee of the month or the mom of the year But it's all that it mean [?]

And none of that matters if you don't know the Lord Cause you can't get voted in I don't wanna be the one to say I told ya So I'ma say it to you again

One, one, one way One, one, one way Only one, one, one, one way If you wanna get there let me hear you now One

There's only one way If you wanna see

One, one, one way One, one, one way Only one, one, one, one way If you wanna get there let me hear you now

One, one, one way One, one, one way Only one, one, one, one way

One aww-oop One aww-oop Only one, one, one way If you wanna get there let me hear you now Aww-oop Tištěno z pisnicky-akordy.cz
