

# Forever Your Girl

Tami Chynn

Yeah, yeah, yeah  
Yeah, yeah, yeah  
Yeah, yeah, yea-ea-ea-hey  
Yeah, yeah, yeah  
Yeah, yeah, yeah  
Yeah, yeah, yea-ea-ea-hey

Said I been watching you  
Wonder ways hoping I could make you stay  
For the rest of my life  
You make it easy to fall for you  
Your like my favorite tune  
Playing all through the night  
See I can explain the things you do and  
I want you to know  
That I'll be here for you  
If you want me to  
And I'll never let you go

Cause I  
Want you to know that  
I'm forever your girl  
I'm forever your girl  
I said a I  
Want you to know that  
I'm forever your girl  
I'm forever your girl

We're like night and day  
But the same  
His love is off the chain  
And nothing can compare  
Cause when you put it down  
Turn me on  
His love is all I want  
His love is always there  
Baby, don't you know what you do to me  
How can I make you see yeah  
I won't let this feeling die  
I'm loving you all my life

Cause I  
Want you to know that  
I'm forever your girl  
I'm forever your girl  
I said a I  
Want you to know that  
I'm forever your girl  
I'm forever your girl

You can count on me  
I will be there forever  
Through the passion, the pain  
The pain and the pleasure  
With the love that we got  
We can storm any weather  
Standing tall in love together

From this moment on  
I have made a decision  
To love you for life  
Without condition  
Let me know if you share my vision  
We were meant to be

Cause I  
Want you to know that  
I'm forever your girl  
I'm forever your girl  
I said a I  
Want you to know that  
I'm forever your girl  
I'm forever your girl
