

Don't you lie to me

Tampa Red

Let's talk it over, baby
'For we start
I hear about the way
You overdo your part
But don't you lie to me
Don't you lie to me
It makes me mad
An I get evil as a man can be
There's two kind-a people
That I just can't stand
An that's a lyin' woman
An a sneakin' man
But don't you lie to me
Don't you lie to me
Because it makes me mad
An I get evil as a man can be
Here's a proposition
I will give to you
I'll give you all my jelly
If you gimme yours, too
But don't you lie to me
Don't you lie to me
It makes me mad
An I get evil as a man can be
(kazoo & instrumental)
I'll be with you
'Till the cows come home
But mama, please don't let me
Catch you gettin' down wrong
And don't you lie to me
Don't you lie to me
Because it makes me mad
An I get evil as a man can be
But don't you lie to me
Don't you lie to me
Because it makes me mad
An I get evil as a man can be.
