

Let Me Play With Your Poodle

Tampa Red

Lookee here baby, listen to my song
Don't get mad, because it ain't no harm
I want to play with your poodle
Can I play with your poodle
Let me play with your poodle
I mean your little poodle dog

He's the best little poodle I've ever seen
And what I like about him, you keeps him clean
Let me play with your poodle
Let me play with your poodle
Let me play with your poodle
I mean your little poodle dog

Your little poodle's got long black shaggy hair
Look like the face like a teddy bear
But can I play with your poodle
Let me play with your poodle

Play with your poodle
I mean your little poodle dog

Hit it now, baby, don't look at it

I like the way he twists his tale
I would buy him, but he ain't for sale
But let me play with your poodle
Let me play with your poodle
Let me play with your poodle
I mean your little poodle dog, yeah

I plays so soft, so gentle and sweet
I would like to play with him least one day a week
Now, can I play with your poodle
Let me play with your poodle
Let me play with your poodle
I mean your little poodle dog
