## **Stormy Sea Blues**

## Tampa Red

Rainin' on the ocean Stormin' on the sea Rainin' on the ocean And it's stormin' on the sea Blues in that shower Is showering down on me

Come back, baby
Won't be bad, no more
Come back baby, woo-ooo
Won't be bad no more
I'll sing on my knees
An I'll follow anywhere you go

Mean ol' fireman, good old engineer Mean old fireman, woo-ooo, good old engineer They took my baby 'way And left me standin' here.
