

Almost Done

Tank

I've been close since we started
I'm just barely holding on
Been a while finally got it
İ½ at me İ½ almost gone
Worst when I look at you so I close my eyes
Trying to stay on cruise control between your thighs
Itİ½s slipping away from me, whoa
And İİ½m *begging my* body to hold on, please

I wish it wasn't over
I wanna keep making love
I don't wanna give this feeling up
This so good
I wish it wasnİ½t over
İİ½m just always wanna be close
On the İ½ we both done most
If we could, donİ½t let this thing be over

Uhh, baby girl you know you got that thing, uuhhh
Talking to myself saying self you can hang
İİ½m losing this fight, you rather come İ½
İİ½m out İ½ you
Worst when I look at you so I close my eyes
Trying to stay on cruise control between your thighs
Itİ½s slipping away from me, whoa
And İİ½m *begging my* body to hold on, please

I wish it wasnİ½t over
I wanna keep making love
I donİ½t wanna give this feeling up
This so good
I wish it wasnİ½t over
İİ½m just always wanna be close
On the İ½ we both done most
If we could, donİ½t let this thing be over
Donİ½t move, donİ½t move, İİ½m right there
The way you move, just stay İ½
