It's my life and I have made a decision it's Friday night and I
'm heading right for oblivion
It won't take me long to find my relief by closing time, I'll b
e fucked up beyond belief
Barman, would you help me up again, when I fall a whole weeks w
ages pissed up the wall
Would you like to help me with my disease I'll drink you under
the table on your feet or your knees
If you need a cure you're in trouble I sure need a cure give me
a double
I'm really not interested in your opinion you boring harrumph g
et out, goodbye, good riddance
