

# Conspiracy Of Hate

Tank

Now they're all together. There is no one in disguise, now they  
're all together.  
They can see each other's eyes now they're all together...  
They can spin a web of lies now they're all together...They can  
ruin someone's life  
A nations hero is exposed... But do we really care our hero's s  
tory will be told  
But do we really care our hero's book will soon be sold...But d  
o we really care  
Our hero's album has gone gold... But, do we really care  
A conspiracy of hate, the misery they create  
Now in the star chamber...Their next victim is in line now in t  
he star chamber.  
Fit the suspect to the crime now in the star chamber...Throw th  
e dice they'll win...  
You'll lose now in the star chamber...  
All aboard the ship of fools a nations hero is exposed  
But, do we really care our hero's story will be told... But do  
we really care  
Our hero's book will soon be sold... But do we really care  
Our hero's album, has gone gold...But do we really care  
A conspiracy of hate the misery they create  
A conspiracy of hate the misery they create  
A conspiracy of hate you bastards...A nations hero etc...  
A conspiracy of hate the misery they create a conspiracy of hat  
e  
The misery they create a conspiracy of hate...
