

# Hope This Makes You Love Me

Tank

Look at me I'm such a mess  
And I normally would keep this all to myself  
All my heart is filled with pain  
And I normally wouldn't cry but I'mma let it rain

So I'm (praying now)  
I give to the (homeless now)  
I'm reading (books on how)  
A better me can be found  
(Fill my lung)  
I'm broke from (what it cost)  
I ain't got much left  
But I want you to have it all

And I hope this makes you love me  
And I hope this makes you love me  
I be doing everything for you  
And I know it sounds crazy  
But I hope this makes you love me  
Love me love me love me love me love me

Look at me I'm such a mess  
My bride being told, my ego give it the rest  
All my heart ist filled with pain  
And I normaly don't think but I'mma beg you again

Cause I'm (praying now)  
I give to the (homeless now)  
I'm reading (books on how)  
A better me can be found  
(Fill my lung)  
I'm broke from (what it cost)  
I ain't got much left  
But I want you to have it all

And I hope this makes you love me  
And I hope this makes you love me  
I be doing everything for you  
And I know it sounds crazy  
But I hope this makes you love me  
Love me love me love me love me love me

Come get all I need is to beg you  
Emergency I'll be there to rescue  
I'll go through the fire to save you  
Girl I thank the lord that he made you  
By my highest mountain to be there  
Follow you wherever you go  
Life without you how could that be fair?

I do all of this to let you know  
I hope that this makes you love me  
I hope this makes you love me  
Say that makes you love me
