

I Gotta Have It

Tank

Let's go!
Always in the...
You put it on me like that
I don't want to be in love,
No, I don't want to be so caught up
But I can't seem to shake you off me.
So I might as well take this space,
Cause it's feeling good tonight
... out of space feels lovely

Uh, every time I think about being next to you, next to you
Uh, every time I think about being next to you, next to you
I gotta have it, girl, have it, girl!
I gotta have it, girl, have it, girl!

Cause everything we... we cause a scene
These people don't know how to act, yeah
But they knew what you can do, they wouldn't believe
Are you done before

Girl, I don't want to be in love,
No, I don't want to be so caught up
But I can't seem to shake you off me.
So I might as well take this space,
Cause it's feeling good tonight
... out of space feels lovely

Uh, every time I think about being next to you, next to you
Uh, every time I think about being next to you, next to you
I gotta have it, girl, have it, girl!
I gotta have it, girl, have it, girl!

You're doing things to me (do)
I don't know if I can deal (deal)
You're doing it to me in a way I never thought I'd feel
I don't wanna give it up, give it up
The way that you gave me love
Baby, don't stop, baby, don't stop, no!

Uh, yeah!
Uh, yeah!
Uh, every time I think about being next to you, next to you
Uh, every time I think about being next to you, next to you
Uh, every time I think about being next to you, next to you
Uh, every time I think about being next to you, next to you
Uh, every time I think about being next to you, next to you
Uh, every time I think about being next to you, next to you
I gotta have it, girl, have it, girl!
I gotta have it, girl, have it, girl!
