

## If You Were Mine

Tank

I'd love you 'till the time was forced to slow down,  
I'd make understand love the right way  
I'd give you all of me to make you so proud  
I'm begging for a shine, that is all I can say  
If you were mine  
I'd never let you go  
If you were mine  
I'd hold you close to me  
If you were mine  
I'd treat you like you're everything I need  
If you were mine, say if you  
If you were mine  
I'd did you all the things you should know

If you were mine  
If you were mine, ooh I  
If you were, if you were  
Oooh ooh ooh
