

Laughing In The Face Of Death

Tank

Through the smoke I clearly see I don't know
I've seen things you won't believe, at twenty below
I will not be defeated, not while I'm still breathing by you or
by anyone
And with the way I'm treated, behind the back scheming
I've waited so long, I've waited so long...
Apparently I should be glad, you told me so
Have you ever felt that you've been had, and you didn't know
I will not be defeated, not while I'm still breathing by you or
by anyone
And with the way I'm treated, behind the back scheming
I've waited so long, I've waited so long...
I'm laughing in the face of death, laughing , laughing...
I'm laughing in the face of death, laughing , laughing...
All this is such a part of me, or doesn't it show
You realise I'm not built for speed, but I sure ain't slow
I will not be defeated, not while I'm still breathing by you or
by anyone
And with the way I'm treated, behind the back scheming
I've waited so long, I've waited so long...
I'm laughing in the face of death, laughing , laughing...
I'm laughing in the face of death, laughing , laughing...
Through the smoke I clearly see someone I don't know
I've seen things you won't believe, at twenty below
I will not be defeated, not while I'm still breathing by you or
by anyone
And with the way I'm treated, behind the back scheming
I've waited so long, I've waited so long...
I'm laughing in the face of death, laughing , laughing...
I'm laughing in the face of death, laughing , laughing...
