

# Maybe I Deserve

Tank

Oooh hey hey well well well  
Do you mind if I tell the truth for a second ya'll

Maybe I deserve  
to wonder who calling so damn late  
For you to say im trippin it's just a homie from upstate (said it's just a homie)  
Don't he know it's 1:00 in the morning  
you say it's cool baby it's cool

Baby I deserve  
for you to say he's coming into town ( he wants to see you)  
and he's just wondering if you and him can hang out  
I don't like it but I know I gotta trust you  
It ain't cool cause I know it's true

Maybe I deserve  
for you to go out and find some other guy  
Maybe I deserve  
for you to stay out with him all night  
Maybe I deserve  
for you to do all the things I did to you  
Maybe I deserve ( oh yeah)  
Maybe I deserve

For you to put on a sexy dress  
for me to ask you Who the hell you trying to impress  
for you to laugh it off like it ain't nothing  
I know it's something Maybe just maybe

to sit a home and wonder where you are  
is he kissing you touching you holding you what  
Take a drink and help ease my mind  
I wanna be mad after all those times

for me to ask you where you been  
for you to say I better stop tripping  
To grab your neck until you let me know  
for you to run crying, crying out the door  
to grab my coat and chase you down the street  
To say it ain't you it's my own insecurity  
for you to say yes I cheated on you  
I wont care cause after all I put you through I deserve  
I deserve yeah yeah yeah  
To be mistreated sometimes  
to even be lied to sometimes  
Maybe you should go cheat on me

Maybe I should sit and wait by the phone  
Cause I paged you about 3 or 4 times  
girl I know girl I know I then put you through  
I then put you through hell  
and I don't care  
and I don't care  
and I deserve

see a man cant take another man taking our woman

we cant even stand waiting by the phone  
But we do the same shit
