

## Might Cry

Tank

Listen, I know you ain't goin' trip over somethin' you heard, now you can't take my word, baby that really hurts, I know I've done my wrong, but that ain't been me in so long, but it keeps messin' up our home, won't the past leave us alone, (sometimes when you by yourself) you think about what we been through, (sometimes when you by yourself) you think I'm the same ol dude, (I hear you talkin') but listen to me, (I see you walkin') oh baby don't leave, I'll do what a man don't do just to make you see

Girl I know a man ain't suppose 2 cry, but I think I might, cause love is on the line, cause baby if I lose you, I might die, I'm trying hard 2 fight it, but I think I might, I might cry

I know I should have called & said I was goin' be late, naw it wasn't no date, hold up baby just wait, I was drinkin' yea so what, can a nigga have a drink at the club, we talked & we laugh, but nothin' else happen cause, (sometimes when you by yourself) you think about what we been through, (sometimes when you by yourself) you think I'm the same ol dude, (I hear you talkin') but listen to me, (I see you walkin') oh baby don't leave, I'll do what a man don't do just to make you see

Girl I know a man ain't suppose 2 cry, but I think I might, cause love is on the line, cause baby if I lose you, I might die, I'm trying hard 2 fight it, but I think I might, I might cry

Now see baby it ain't what it look like, let me tell you what it is, shit gettin' real tricky up in here bout to break me down to tears, for I know it's hard for you to see that I changed for you & me & even if I got to cry that's what it's gonna be

Girl I know a man ain't suppose 2 cry, but I think I might, cause love is on the line, cause baby if I lose you, I might die, I'm trying hard 2 fight it, but I think I might, I might cry

(I might) down on my knees, (I might) beggin' you please, (I might) oh baby don't leave, (I might) baby I'm sorry (baby I'm sorry), (I might) baby I'm sorry (baby I'm sorry), I won't break your heart no more (Cry), won't break your heart no more (Cry), so baby I might cry, I might cry, I just might cry, (oh, o oh, oh, oh, oh, oh, oh, oh)
