

So Vile

Tank

Don't ask me
Why I am standing here
I seek strolling
About shame in my head
Now easy...
Tell me what's wrong with me
And scream my name
If you remember it

Please, you have to remember
Long time ago you forged the monster in me

While I'm loosing control
Yet I'm loosing my soul
My eyes are blinded by hate
While I'm loosing control
Yet I'm waiting for the call
Is it me? Am I so vile?

Hatred and madness combined
I'm now waiting for a sign
Order me to launch the fury
Man, please stop blowing at me
Oh my thing rightfully mine
There's no faceless foe inside
Now I'm gonna hit you where it hurts
Our worlds...

Hate will drain
The tears falling from your eyes
As your life
Is spilling in mine
Heal the scars
Carved in my furthest past
Transient shade
Reduced to nil

In the end
A forlorn memory

Our worlds collide for the last time

For the last time
Our worlds collide
