g away from me

I need to step up my search put out that APB

Oh I'm looking for this girl Her name is love Dreamed about her a thousand times Only had her once Damn I gots to get to her How did I lose her & my mind at the same time Been all around the world Where could she be Ain't nuthin like when she was next to me Still smell the scent of her perfume So lonely in this room Something I can't get used to Turns out that I was living a lie & She was the truth What did I do, guess I was just a fool Now I need her to know... Gotta put that word on the streets Hang up some posters for me Stands about yay tall, 36, 24 real love, real talk Violation 243 committed battery to my heart Now if I gotta look forever, swear that I'm gone get her Oh I should have listened when she said she felt alone The only feelings I cared about were my own How could I be so selfish It hurts I can't help it Traumatized my baby's gone Turns out that I was living a lie & She was the truth What did I do, guess I was just a fool Now I need her to know... Gotta put that word on the streets Hang up some posters for me Stands about yay tall, 36, 24 real love, real talk Violation 243 committed battery to my heart Now if I gotta look forever, swear that I'm gone get her . . . Coulda swore I saw her dip around that corner

She got out before I could push up on her Don't know how but she keep gettin
