

# A Girl Called Cerveza

Tankard

Yesterday I met her  
The woman of my dreams  
She looked so fine  
Through bottles of cheap wine  
Soon we drank together  
The pub was my heaven  
I took her home  
Then? I don't know

Next day I woke at noon  
She must have drugged my drink  
My beer supplies were gone  
That girl stole everything

I screamed!  
I cried!  
Her love was just a lie!

A girl called cerveza  
Is trying to cheat ya  
Is trying to trick ya  
A girl called cerveza

A girl called cerveza  
Is trying to fool ya  
Is trying to dupe ya  
A girl called cerveza

Told the cops my story  
They already know her  
She's been accused  
Of beer theft and brain wash  
Got no distinct features  
Her mug shots are shocking  
Girl of ill fame  
Fraud is her game

Her file is overlong  
Rogue's gallery top ten  
In case I track her down  
I'll fall for her again (oh, no)

I screamed!  
I cried!  
Her love was just a lie!

A girl called cerveza  
Is trying to cheat ya  
Is trying to trick ya  
A girl called cerveza

A girl called cerveza  
Is trying to fool ya  
Is trying to dupe ya  
A girl called cerveza

Her file is overlong

Rogue's gallery top ten  
In case I track her down  
I'll fall for her again

I screamed!  
I cried!  
Her love was just a lie!

A girl called cerveza  
Is trying to cheat ya  
Is trying to trick ya  
A girl called cerveza

A girl called cerveza  
Is trying to fool ya  
Is trying to dupe ya  
A girl called cerveza, cerveza

A girl called cerveza (a taste of beer)  
Is trying to cheat ya (cheat ya)  
Is trying to trick ya (mouw, I love you)  
A girl called cerveza (kiss you...)

A girl called cerveza  
Is trying to fool ya (I love beer, babe)  
Is trying to dupe ya (I love you)  
A girl called cerveza, cerveza
