

Does part of you want to say,
There's a part of me over you?
No matter how long it'll take,
No more leaving without you.
So say what you want to say,
But there's nowhere to run to.
Part of me wants to say,
There's a part of me over you.

All-right I said I'm ready to know
All-right I said I'm ready now
All-right I said I'm ready to know
All-right I said I'm ready now

Oooh Oooh Oooh Ooooh
Oooh Oooh Oooh Ooooh
Oooh Oooh Oooh Ooooh
Oooh Oooh Oooh Ooooh

Decisions you do or you make,
I'm aware they can haunt you.
Whatever you leave or you take,
You can do what you want to.
Forever and for a day,
When I am without you something's missing.
A welcome along the way,
You should do what you don't do and just listen.

All-right I said I'm ready to know
All-right I said I'm ready now
All-right I said I'm ready to know
All-right I said I'm ready now
All-right I said I'm ready to know
All-right I said I'm ready now
All-right I said I'm ready to know
All-right I said I'm ready now

Oooh Oooh Oooh Ooooh
Oooh Oooh Oooh Ooooh
Oooh Oooh Oooh Ooooh
Oooh Oooh Oooh Ooooh

Never know who you are,
You're so unsettled now.
When you get what you want,
It'll all be better no doubt.
But now you're ready to call,
When all that wasn't was ours.
When you get what you want,
It'll all be better.
