

## San Antonio Stroll

Tanya Tucker

When I was a child  
Down in south Caroline  
Soon's the Saturday sun went on down  
My folk's and sister would go  
And leave me home all alone  
Goin' to that big square dance in town

Well my old radio  
Would play that ol' Opry show  
So I never got lonesome or blue  
I'd fall asleep in my chair  
And dream that I was right there  
Just singing the whole night through

When my folks would come home  
They'd be humming a song  
Mamma'd smile and say, "Child don't you know  
There ain't a thing in this world  
To make you fall in love girl  
Like the San Antonio stroll"

Well the day finally come  
When my momma said, "Hon'  
It's 'bout time you came with us as well"  
Well, I had me a time  
Yes, I danced all night  
Till they rang that old cracked midnight bell

Then the lights went down low  
The fiddler picked up his bow  
And he played something stately and slow  
And my sister Eileen and her husband to be  
They held hands and began to stroll

I've been away for a while  
But it still brings a smile  
When I think of the way that it goes  
Now I'll sing it to you  
Just so we both can do  
That ol' San Antonio stroll

Now I'll sing it to you  
Just so well all can do  
That ol' San Antonio stroll
