

# Beautiful

## Tapping the Vein

Please, I Don't Know What You're Saying  
It All Sounds Like Mud To Me  
There's A Man Here  
I've Seen His Face  
He's Sure I'll Recognize Him And He's Breathing All His Hate On  
Me  
He Binds My Wrists And He Throws Me Down

And I Can't See

Wake Me  
I Hope I'm Dreaming  
I Am Beautiful  
I'm Beautiful  
Wake Me.  
There Must Be Some Mistake

No, I Don't Hear What I'm Hearing  
Fear You Are My New Best Friend  
Cause These Wicked Boys Brought Their Pieces And Their Itchy Fingers  
And The Panic Crawls Into My Throat Cause I Turn My Head And They're Looking At Me.

And I Can't Breathe

Save Me I Think I'm Bleeding  
I Am Beautiful  
I'm Beautiful  
Save Me  
There Must Be Some Mistake

And I Can't Scream  
I Can't Scream  
I'm Bleeding  
I Am Beautiful  
I'm Beautiful  
Save Me  
There Must Be Some Mistake  
Save Me  
Look, I'm Bleeding  
I Am Beautiful  
I'm Beautiful  
Save Me  
There Must Be Some Mistake
