

Flatline

Taproot

I don't care what you think about me
Stuck in flatline
But I'm still breathin'
Thinkin' about my options
Time to make my decision
'Cause it's so easy
Makin' it difficult to choose
I choose myself rather than conform for you
Take your authority and shove it
Individual in charge
You've got to love it
Absent minded blue collar worker
A jerk or whatever you think I should be
I don't give a damn what you think about me
Your vision's distorted
And your ego's in charge
