

## No View Is True

Taproot

We don't have to see, eye to eye, as long as we get along  
We don't have to hear, ear to ear, as long as it's a great song  
, playing  
Different strokes for different folks, if

I've found no religion, but I still have faith  
I've made some decisions, but I'm following my fate  
I'm not so indifferent, everyone is the same  
We're all just opinions, that extinguish the flame  
No opinion, since no view is true  
We don't have to feel, an eye for an eye  
What we take can be a mistake  
We don't have to sense, 666  
When we can manifest hate, laughing  
Different pokes, from different jokes  
No view is true
