

# Love Salute

Tarrus Riley

You say you rough  
But you ain't never love  
The way that I have  
The type of love  
Weh take your heart and broke it up  
And now you living in the past and  
Can't go back so sad

So if you find someone that you can't lose  
Please surrender and Love Salute  
Love that lost yeah you heart was bruised  
Please surrender and Love Salute  
Lost your love yeah you snooze you lose  
Please surrender and Love Salute  
You find someone that you can lose  
Surrender, Salute  
Surrender, Salute

Aye yi yi yi yi yi yi yi  
Salute  
Aye yi yi yi yi yi yi yi

You say you rough  
What if you see you woman with a next man  
Then you goodly hear say gun a buss  
And any man she talk to you would a take a set pon  
All the step son you would a never trust  
No Its not fair in love and war, casualty is a broken heart  
Surrender now or lose it all with open arms

So if you find someone that you can't lose  
Please surrender and Love Salute

Please surrender and Love Salute  
Lost your love yeah you snooze you lose  
Please surrender and Love Salute

Now I say put down you pride and put down your ego  
Salute  
Love is coming at you  
Yeah  
And if you don't know love you don't know nothing at all  
Yeah  
And if you can't be with the one you love, just love the one who [?]  
Yeah  
My love is love is love

So if you find someone that you can't lose  
Please surrender and Love Salute  
Love that lost yeh you heart was bruised  
Please surrender and Love Salute
