

Other Half

Tarrus Riley

If I have to share you
Baby you know that I don't mind
As long as I be your.. Other half

To have a little bit of something
beats having nothing at all
As long as I be your.. Other half.

Ain't got no shame
ain't got no pride
a little she gives to me
makes me wanna settle
for whatever, for whatever

So If I have to share you,
Baby you know I don't mind
As long as I be your.. Other half

To have a little bit of something
Beats having nothing at all
As long as I be your.. Other half.

Ain't got no shame
ain't got no pride
a little she gives to me
makes me wanna settle
for whatever, for whatever

Ain't got no shame
ain't got no pride
a little you give to me
makes me wanna settle
or whatever...

Ain't got no shame
ain't got no pride
a little you give to me
makes me wanna settle
or whatever...
For what ever... (5x)
