

# The Week-Weak

Tarrus Riley

Monday you're lonely  
Feeling lost in the wild  
Tuesday you're upbeat  
Playful as a child

Life is a mystery  
Soon you will find

There is a time to laugh and a time to cry  
Next day, baby, need someone to make you smile

Thursday will be hurting when they're no longer by your side  
Friday's arrived, greets you with a smile  
There a time for hellos and a time for goodbyes

Talala tala talala talala lata  
Talala tala talala talala lata

I'm in the valley pressing on through the fight  
You've seen the victory  
And you know what its like

Life is a mystery  
Soon you will find

There's a time for you  
And a time for I  
Time to laugh and time to cry  
Time for hellos  
Time for goodbyes  
Time to love  
And a time to feel  
Time to hurt  
And a time... to heal

Talala tala talala talala lata  
Talala tala talala talala lata  
Heal...
