

Do You Want It Right Now

Taylor Dayne

Do you know how lucky I feel I am
To find a man who loves me, as I am
You never try to change a single part of me
You're easy to love, with those qualities

An everyday you teach me more and more
Inside me I want a glow
And every night you think of only me
The way you keep me satisfied

You do all the things I like
I want ya, oh I want ya so
Do you want it right now
Oh, I can't let go

I want ya so bad, give me all you have
I can show you now, do you want it right now
You have a rare sensitivity
I really believe you know how to feel

I trust you with all my heart and soul
You care too much too let me take control
And every day you teach me more and more
Inside me, I want to glow

And every night you think of only me
Oh you keep me satisfied, you do all the things I like
I want ya, oh I want ya so
Do you want it right now, oh I can't let go

I want you so bad, give me all you have
I can show you how, do you want it right now
I want ya, I want ya so
Do you want it right now,

Oh I can't let go
Want ya so bad, give me all you have
I can show you how, do you want it right now
Do you want it, want it right now baby

Right now
Do you want it, want it right now
I can hear it from ya right now
Do ya want it want it right now

Right here, right now, right now, right now
I want you screaming, screaming
Everyday you teach me more and more
Inside me I want to glow

And every night you think of only me
The way you keep me satisfied, you do all the things I like
I want ya, oh I want ya so, I want it right now
Oh can't let go, I want ya so bad give me all you have

I can show you how, do you want it right now
I want ya, I want ya so

Do you want it right now, oh I can't let go
I want ya so bad, give me all you have, I can show you how
