## **Heart Of Stone**

**Taylor Dayne** 

We need to lay in each other's arms There's nowhere else to go It's all so easy and I want you to know There'll never be another one Who could get this close to me Everything you give to me Is everything I've dreamed of Even when you turn your back now I can feel you reaching for me Even when you walk away I still know where you're hiding

I can't believe You've got a heart of stone I've seen your tears fall when You thought you were alone I can't believe You've got a heart of stone I can't believe it

You try to make like I'm not there To show me how you feel You don't have to hurt me With the hurt that you won't reveal There'll never be another one Who could get this close to you I can give you everything That you've ever dreamed of Even when you turn your back now I can feel you reaching for me Even when you walk away I still know where you're hiding

I can't believe You've got a heart of stone I've seen your tears fall when You thought you were alone I can't believe You've got a heart of stone I can't believe it I can't believe You've got a heart of stone The more you try to hide your love The more it shows

I can't believe You've got a heart of stone I can't believe it Feel the loving' in me I need it

I can't believe You've got a heart of stone The more you try to hide your love The more it shows I can't believe You've got a heart of stone I can't believe it

I can't believe You've got a heart of stone Your eyes says yes Even when you tell me no no I can't believe You've got a heart of stone I can't believe it
