

# Day Tripper

James Taylor

I've got a good reason  
For taking the easy way out  
I got a good reason  
For taking the easy way out

She was a day tripper  
One way ticket, yeah  
It took me so  
So long to find out but I found out

Now she's a big teaser  
She took me half the way there  
She's a big teaser  
She took me half the way there

It was a day tripper  
Sunday driver now  
It took me so  
So long but you know I found out

You can try to please her  
She only plays one night stands  
You can try just to please her  
She only plays one night stands

She was a day tripper  
One way baggage, yeah  
It took me so  
So long, well you know that I found out  
(When I found out, when found out)

I got a good reason  
For taking the easy way out  
Yes, I got a good reason  
For taking the easy way out

She was a day tripper  
One way driver, yeah  
It took me so long to find out  
But I found out

Well, I got a good reason  
For taking the easy way out  
Yes, I got a good reason  
Girl, for taking the easy way out

She was a day tripper  
One way ticket, yeah  
It took me so  
So long to find out but I found out
