### Tear Out the Heart

You have NO IDEA what I've been through.  
No matter what these people have told you.  
Consider this a lesson in morality.  
You need to be brought back to reality.

I've been living nightmares every day.  
I've been holding on to everything I hate.  
This is where I start again cause I'm stronger now,  
and these thoughts don't own me.  
THESE THOUGHTS DON'T OWN ME.

I cant believe all this shit I've lived through,  
no matter who tried to stop me.  
I won't fall for a deliberate ploy.  
I brought it into this world, it's mine to destroy.

I'M NOT ANYONES PROPAGANDA EXCEPT MY OWN.  
I'M STANDING IN A HOUSE OF GLASS,  
WITH A FIST MADE OF STONE.
