

## The Rejected

### Tear Out the Heart

I stand corrected.  
We're all REJECTED.

I may be a lot of things but I know that I'M NOT FAKE.  
The truth is I stopped caring, so fucking spare me.

Stop me if you've heard this before.  
You'd never think to send a good man to war.  
Don't blink or you'll miss it again.

Take me and bury my bones.  
We never had a chance. I never had a chance.  
Take me and bring me home.  
We never had a chance.

Somebody WAKE ME UP.  
I've had enough of holding onto the pain I love.  
Somebody wake me up.  
I've had enough.

I may have said those things and I meant only half.  
I'd rather keep my sanity and live the life you wish you had.

I stand corrected.  
We're all REJECTED.  
I don't feel right here.  
The more I try, the harder it gets.

Go ahead and say that I've lost my mind.  
I hope it's never found again.  
I'll bend but I won't break.  
I'M NO FUCKING FAKE.
