

You Are No King

Tear Out the Heart

I'm not sure what hurt worse,
the push or the fall.
I don't need you to believe.
I've got some fight left in me.

It's time I set this record straight.
It's been skipping us for far too long.
Every day's a chance to turn it all around.
There's only so many nights that I can blame this town.
Knew when to grow up and get my shit straight.
There's more to life than what you hate.

EVERY THING HAPPENS FOR A TREASON.
WE'RE NOT LIVING, UNTIL WE'RE BLEEDING.

We won't be ignored.
Knock us down, we'll be up for more.
No time for the tyrant liars,
FUCK WAITING we are the future.
We won't be ignored.
If you're knocked down,
get up off the floor.
This time is a warning only.
FUCK WAITING WE ARE THE FUTURE.

This time I mean every word I say.
YOU ARE NO KING.
YOU WEAR NO CROWN.

Every day's a chance to turn it all around.
There's only so many times that I can blame myself.
Knew when to grown up and get my shit straight.
There's more to me than who I hate.

EVERYTHING HAPPENS FOR A TREASON.
YOU'RE NOT LIVING UNTIL YOU'RE BLEEDING.

You want what's mine?
You'll have to take it from me.
YOU ARE NO KING.
YOU WEAR NO CROWN.
