Raoul and the Kings of Spain

Tears For Fears

When the seventh of the seventh son Comes along and breaks the chains Raoul, Raoul, Raoul and The Kings of Spain Making it plain, making it sane To turn this loss into a gain

Raoul, Raoul, Raoul and The Kings of Spain Raoul, Raoul, Raoul and The Kings of Spain

Did you know your father was an island Did you know your mother was the sea Can we ever hope to seek asylum From the bounds of fate and family

When the seventh of the seventh son Comes along and breaks the chains

Raoul, Raoul, Raoul and The Kings of Spain Making it plain, making it sane To turn this loss into a gain

Raoul, Raoul, Raoul and The Kings of Spain Raoul, Raoul, Raoul and The Kings of Spain

Did you know all mothers come from heaven Did you know all fathers come from hell That is why they're at sixes and seven That is why their marriage isn't well

When the seventh of the seventh son Comes along and breaks the chains

Raoul, Raoul, Raoul and The Kings of Spain Making it plain, making it sane To turn this loss into a gain

Raoul, Raoul, Raoul and The Kings of Spain Raoul, Raoul, Raoul and The Kings of Spain
