Tech N9ne in this bitch (Tech N9ne, Tech N9ne) Bout to make em dance once again baby (once again baby) But this time, I'ma talk about one of my friends baby (Yeah) yo it's been long overdue baby (that's right) Long Overdue (how we do it) But you asked for it So now I gotta give it to you, (give it to you) Get Paid Let me tell you a little story about this nigga I know From the M and the O A chemical nigga who says I got criminal flows I'ma set the record straight for a second Everybody knows this nigga is hot-headed And due for a mic checkin. You drew first blood in '94 Trickin with my baby momma You know the one you called a ho I'ma let you know That if you take it back to the past When I was squeezing hella ass and playin hookie You can ask my bro, He will let you know Back then I shared my pussy. You was using music as a form of pursuing Pussy sneakin in her bed and beggin for a screwin Who the fuck is you foolin? I can still make her make you put yo muthafuckin mic down Straight interrupt yo show And serve yo ass in her nightgown Right now Fuck the rappin, we can fight now Tight style, Sell for miles Change the name Vell to Vall Call him Dame or Gal Cause the way he came was foul Nigga that's bitch shit Tech N9ne you dissed it But they missed it Told me that you sold 200, 000 with pride But you lied, I don't mean to hurt yo feelings inside But you sold 5, 000 Nationwide You a clown man You niggaz think I jokin, go check the SoundScan All I wanna know is. Why this nigga steadily savin his flows for me? (He wanna get paid) And why this nigga basin his whole life on challenging me? (He wanna get paid) Fuckin with 56 Villain get you shot up Midwest side will chase em down with a choppa

Motherfucker thinking Teccanina gonna chop up Something wrong with his medullah oblongota.
