He so cold to ya and I heat it up.
Let go your inhibitions, reservations: swallow them.
Get some ghetto-ness give it to you at your mom and

Have you ever all witnessed the "just been hit with a
dick" stature?
From a nigga like me who licks it then hits in it
after.

salami,
Work up a sweat from passionate sex like performing
palates.
Ghetto! im lex-er than steel when it comes to real sex
in the pill,
No step in this fill if you scared of catchin a di-lzn-
ick.
Real spit, or do you prefer lil' dick?
She said "no I likes it nice and hard to bring the real
shit"
And ill be commin (commin) from around a corner with a
box of magnums to put it on ya.

Do something strange for some change if your buying,
But big strippers make big tippers, show no thankful

For just a drink or two, she'll make and wink at you.
Drain your change till she think you're through,
