Praise God my brother
Here me Father right now
I'm asking great blessings and favor for this mighty man of God
Lord you know his needs and his necessities holy spirit
Continue to bless Tech's life, his family, his finances
and his health insurance Lord
Blessing any projects, any programs

Favor and blessings all around him holy spirit Lord bless him
And him and his crew as they travel from city to city Lord
Be with him holy spirit Lord
Put a spiritual, hedge around him
In Jesus name I pray, amen
My brother you be blessed, much love to you
And look forward to gettin that project, when you get some time
Okay? Be blessed
