

# I Want My Baby Back

Teddy Pendergrass

Yes, I want my baby back  
I need her right away  
Should've been understood where I was goin to put me down  
Yes, I want my woman back  
I feel so bad, I'm all alone, hmm  
I just can't make it work without you here in my home, my home,  
my home

Baby come back, cause I want my baby back, (love you, yes, I love you)  
I want my baby back (love you, yes, I love you)  
Yes, I want my woman back,  
I miss her night and day (I miss her night and day)  
I was a fool to ever let her go and get away (get away, get away, get away)  
Yes I would do anything to have you in my arms again (have you in my arms again)  
When you come home I'm gonna treat you good

Make you stay by my side, baby (If you stay by my side)

Baby come back  
Cause I want my baby  
I want my baby  
Will you come back, I love you  
Yes, I love you  
And I need you, woman I need you  
And I want you, yes I want you  
I want my baby back  
Do you know, girl?  
That I love you, yes I love you  
Yes, I need you, yes I need you...
