

If You Know Like I Know

Teddy Pendergrass

I hope there never was a time
You thought in your mind
That I didn't love you baby
I got better things to do
Than to waste my time on you
If I didn't love you girl

There's no time for playing games
I lover her and I'm not the same, I'm not same

And if you know like I know
(If you know like I know)
You know that we got, we got, we got love
We got , we got
If you know like I know
(If you know like I know)
You know that I love you girl

I got special plans for you
I'm gonna do all I can do
Just for you
See life is much too short
Love can be so disport
Scars of being real girl

There's no time for playing games
I lover her and I'm not the same, I'm not same

If you know like I know
(If you know like I know)
You know we got love baby
If you know like I know
(If you know like I know)
You know we got, we got, we got love
We got, we got
If you know like I know
(If you know like I know)
You know that I need you girl
I love you girl, I love you girl

I love ya
I love ya
We got, we got, we got love
We got, we got
If you know like I know
You know that I just love you girl
God almighty, I love ya
From your head to your toe
I love ya
Every time I get it, I got to come back for more
I love ya
Well, well
Walking straight and down path
Anything I got you got half
If half is much too small
I swear to God you can have it all
If you know like I know

You wouldn't leave, you wouldn't leave me girl
Nobody else can make you feel like the way I do
We got, we got, we got love

Anything you want baby
You got it
I'll do anything just to keep you happy baby
Whatever it is that you want, I got it
Right there, I got it, right here
Right there in the palm of my hand
I got it baby
Just ask me baby, ask me
I got it, right here, right here
If you know like I know
We got love
We got love
We got love
We got love
We got love
We got love
We got love
